ASAN Equity Plan

**Part 10: Make sure ASAN
resources are equitable**

Make sure ASAN resources are equitable

ASAN creates lots of resources.

These resources talk about things like voting, Medicaid, the ADA, and more.

We want to get feedback on our resources.

We will use the feedback to make our resources better.

We want to make our new resources helpful for autistic people of color.

We will ask different groups how to do better racial justice work.

We will focus on self-advocates of color.

We will ask what kinds of new resources to make.

We will ask how to include racial justice in all our resources.

We want to make more resources in Spanish.

We will work with autistic people who speak Spanish.
